## Components of the Plan

1. Narrative description of the school and community
2. Statement of mission, vision or beliefs
3. Statutes and rules the school wishes to to have suspended from operation
4. Description and location of the school's curriculum
  - Titles and descriptions of assessment instruments
5. Safe and disciplined learning environment
  - Highly Qualified teachers in all core content area classes
6. Strategies to attract high-quality, highly qualified teachers
7. Parental Involvement
8. Strategies to increase parental involvement
9. Description of how school provides individual academic results to
  - a. parents.
10. Strategies to involve parents in planning, review, and improvement
  - a. of the school wide plan
11. Transition Plans

12. Opportunities for teachers to be included in decision making related to the use of academic assessment results
13. Timely Additional Assistance
14. Provisions for the Coordination of Technology Initiatives
15. Cultural Competency
  - Coordination and integration of federal, state and local funds
16. A list of plans that will be consolidated under schoolwide
17. Plan for Submission
18. Historical Attendance Rates and State Assessment Data
19. Action Plan - English Language Arts
20. Assessment Plan English Language Arts
21. Action Plan- Math
22. Assessment Plan- Math
23. PBIS Goal Initiatives
24. Demographics
25. Appendix
26. Compact
27. Parent Involvement Policy
28. Comprehensive Needs Based Assessment
29. Comprehensive Needs Assessment Summary
30. Components of Schoolwide Plan Checklist (Assurance Page)

## **Narrative Description of the School and Community**

Thompson Crossing Elementary School is a K-3 school that sits at 7525 E. Thompson Road in Indianapolis, IN 46239. We are one of 6 elementary schools in the Franklin Township Community School Corporation. We currently have 662 students this year. Our school is made up of 61% White, 9.5% Hispanic, 7% Multiracial, 8% Black, and 13% Asian. In 2020-2021 our Free and Reduced lunch populations was at 51.4%. We have a very involved Parent Teacher Organization (PTC) which supports many family events at Thompson Crossing Elementary School. These events include but are not limited to Open Houses, Educational Field Trips, Family Music Nights I, School Carnival, Family Dances, Breakfast with Santa, Family Game Night, and Parent Informative Meetings such as IREAD-3. Together with our 12 Instructional Assistants, 27 General Education Teachers, 3 Special Area Teachers, 2.5 Special Education Teachers, 1 Essential Skills Teacher, 1 ENL Teacher, 1 Title 1 Administrator, 1 Counselor, 1 Principal, 1 Instructional Coach, and PTO we strive to create an environment where all stakeholders communicate the value of education in a manner that develops the whole child to be successful in society.

Thompson Crossing Elementary has a standard elementary program, meeting all of the Indiana Department of Education required standards in grades K-3. Many different types of learning activities are used to meet the needs of all students. Thompson Crossing Elementary school's staff and administrators are continually striving to motivate all students to think, read, persevere, and grow to their full potential. We have incorporated special programs to enrich our curriculum such as our Yearbook Club, Book Clubs, Spell Bowl, STEM Club, Art Club, and Choir. Teachers also utilize Waterford, and Everyday Math online in their classrooms and students have access to these online resources at home.

## **Mission, Vision, or Beliefs**

*The vision of Thompson Crossing Elementary School is to provide a safe learning environment where all students excel and collaborative relationships are built.*

## **Statutes and rules the school wishes to have suspended from operation**

Thompson Crossing Elementary is not applying for any waivers.

## **Description and Location of Curriculum**

FTCSC offers a K-12 guaranteed and viable curriculum to meet the diverse needs of the learners that we serve. Adopted curriculum supports Indiana and Common Core State Standards and is delivered consistently across the district and includes common assessments. Reading is supported systemically and instruction supports the essential five: Phonemic Awareness, Phonics, Fluency, Comprehension and Vocabulary. Math curriculum supports the 8 practical mathematical strategies and challenges our students at higher levels. Content areas also embed reading, writing and math skills while our writing initiative is embedded K-12 across the curriculum to prepare students for career and college opportunities.

Each week, teachers meet in Professional Learning Communities (PLC's) to review student work and to share best practices. Teachers collaborate to create next steps for differentiated instruction based upon real time data.

Copies of the curriculum guides, as well as titles of textbooks, are available at the Franklin Township Community School Corporation Central Office. Parents and students can also access many of their textbooks online with usernames and passwords on the textbook company sites.

## **Title and Description of Assessment Instruments**

In Franklin Township, we utilize the assessments that are recommended and provided by the Indiana Department of Education. Below is a list of Assessments used in FTCSC:

### **ILEARN (including GQE Retest)**

The purpose of the *ILEARN* program is to measure student achievement in the subject areas of English/Language Arts, Mathematics, Science\*, and Social Studies\*\*. In particular, ILEARN reports student achievement levels according to the Indiana Academic Standards that were adopted in November 2000 by the Indiana State Board of Education. An Applied Skills Assessment and a Multiple-Choice Assessment are used to measure these standards; they are required components of the ILEARN program.

\*Science is assessed in grades 4 and 6.

\*\*Social Studies is assessed in grades 5 and 7

### **ILEARN ECA**

The purpose of the Indiana Statewide Testing for Educational Progress Plus (ILEARN) program is to measure student achievement in the subject areas of English/Language Arts, Science, and Mathematics. In particular, ILEARN reports student achievement levels according to the Indiana Academic Standards that were adopted in November 2000 by the Indiana State Board of Education. The ILEARN End-of-Course Assessments (ECAs) are criterion-referenced assessments developed specifically for students completing their instruction in Algebra I, Biology I, or English 10.

\*Science is assessed in grades 4 and 6.

\*\*Social Studies is assessed in grades 5 and 7

### **IREAD-3**

The purpose of the *Indiana Reading Evaluation And Determination (IREAD-3)* assessment is to measure foundational reading standards through grade three. Based on the Indiana Academic Standards, IREAD-3 is a summative assessment that was developed in accordance with Public Law 109 which "requires the evaluation of reading skills for students who are in grade three beginning in the Spring of 2012 to ensure that all students can read proficiently before moving on to grade four".

### **CLEARLIGHT (3-8)**

The purpose of the ClearSight assessments is to provide diagnostic measures for grade 3-8 students in English/language arts, mathematics, science, and social studies. Assessment reports provide standards aligned performance data, which support an educator's ability to inform instruction at the student, class, school, and corporation level. ClearSight Assessments are used in grades 3-8 in Franklin Township.

### **WIDA**

The purpose of WIDA is to determine a student's level of English proficiency. The placement test, administered upon the student's arrival in the United States, is used to determine the ELL services appropriate for the student. The annual assessment, administered in January and February, is used to determine the student's current level of English proficiency and is used for accountability purposes.

### **NAEP**

The purpose of NAEP (National Assessment of Educational Progress), also known as "The Nation's Report Card", is used to demonstrate performance over time for a selected sample within Indiana. This assessment is administered annually to students in grades 4, 8, and 12, and can be used to compare student performance across the United States. During selected assessment cycles,

TIMSS (Trends in International Mathematics and Science Study), PISA (Program for International Student Assessment), and PIRLS (Progress in International Reading Study) are administered in conjunction with the NAEP assessment.

### **Cognitive Abilities Test/Screenner (CogAT)**

This test measures a student's abilities to reason with words, quantitative concepts, and nonverbal(spatial) pictures. The CogAT Multilevel Battery has levels and is designed for use in grades K-12. The CogAT screener is used in primary grades for one component of high ability identification.

### **ACT**

The purpose of the ACT is to measure high school students' general educational development and their capability to complete college level work. There are four areas of assessment: English, Mathematics, Reading, and Science. Students may also choose to additionally take a Writing assessment. A student's scores provide an indicator of college readiness in skills necessary for success in entry level college courses in those areas. The ACT is offered four to six times between September and June.

### **SAT**

The purpose of the SAT Reasoning Test is to measure literacy and writing skills that are needed for academic success in college and assess a student's ability to analyze and solve problems – skills learned in school that are essential for college success. The test is offered each month September through June. Most colleges or universities require a student to complete either the SAT or the ACT before granting admission to the college or university.

### **TOMAGS**

The purpose of the TOMAGS (Test of Mathematical Ability for Gifted Students) is to measure a student's ability to use mathematical problem-solving and reasoning. There are two levels: a primary level for grades K-3 (ages 6-9) and an intermediate level for grades 4-6 (ages 9-12).

### **NNAT2**

The purpose of the NNAT2 (Naglieri Non-Verbal Ability Test 2) is to measure a student's nonverbal reasoning and problem-solving abilities. It does not require reading or math skills to effectively respond. Language or cultural differences are not a barrier to correctly answering test items. The test is available in levels for appropriate grade – level administration.

## **Safe and Disciplined Learning Environment**

Thompson Crossing Elementary has a PBIS committee which consists of grade level representatives, school counselor, one instructional assistant, school administrator, Related Arts teacher and Special Education teacher. This committee meets monthly and reviews school data and the effectiveness of schoolwide procedures that were developed when PBIS was adopted in 2007. Revisions to procedures are made with feedback from our school staff.

Thompson Crossing Elementary School conducts emergency preparedness drills during the school year. These drills include; fire, severe weather, lockdown and bus evacuation drills. Thompson Crossing Elementary School building has a secured entrance. This requires all visitors to enter through the main office, have their identification verified and a criminal history check through our Safe Visitor System prior to being issued a visitor pass. All other exterior doors are locked at all times and can only be unlocked from the outside using a staff members school identification badge.

Franklin Township Community School Corporation has their own Police Department which consists of five officers and a K9 dog trained in detecting drugs and firearms. These officers are in our buildings daily to assist.

Bullying is prohibited by Thompson Crossing Elementary. Students who commit any acts of bullying are subject to discipline including but not limited to suspension, expulsion, arrest, and/or prosecution. "Bullying" is defined as overt, unwanted, repeated acts or gestures, including verbal or written communications or images transmitted in any manner (including digitally or electronically); physical acts committed; aggression; or any other behaviors committed by a student or group of students against another student with the intent to harass, ridicule, humiliate, intimidate, or harm the targeted student, creating for the targeted student an objectively hostile school environment that:

- Places the targeted student in reasonable fear of harm to his or her person or property
- Has a substantially detrimental effect on the targeted student's physical or mental health
- Has the effect of substantially interfering with the targeted student's academic performance
- Has the effect of substantially interfering with the targeted student's ability to participate in or benefit from the services, activities, or privileges provided by the school.

## **Highly Qualified Teachers and Paraprofessionals**

All teachers newly hired at Thompson Crossing Elementary must be "highly qualified." "Highly Qualified" means:

- full State certification as a teacher or passed State teacher licensing exam and holds current license to teach; certification or licensure requirements may not be waived on emergency, temporary, or provisional basis;
- at least a bachelor's degree; passing a rigorous State test on subject knowledge and teaching skills in reading, writing, math, and other areas of elementary curriculum (State certification test may suffice)

## **Strategies to Attract High-Quality, Highly Qualified Teachers**

Thompson Crossing Elementary posts job openings on the website and with the Indiana Department of Education, as well as social media. Administrators attend interview programs at universities in Indiana. The FTCSC elementary administrators often take a team approach to interviewing when there are several openings in the corporation. Candidates will have the first round interviews with the administrative team. The second round interviews are conducted as the individual school with the administrators of the building as well as a small interview team of teachers. During the second interview, candidates are given scenarios to respond to on how they would handle a certain situation. They are also given a specific standard and asked to provide a mock lesson they would teach this standard to low, average and high learners.

## **Provisions to Maximize Parental Participation**

Thompson Crossing Elementary communicates it's school grade to our parents via the School Newsletter as well as on the FTCSC website.

Parent/Teacher conferences are during the school year for parents and teachers to communicate each child's progress as well as goal setting for the school year. Parents are always encouraged to participate in decisions relating to the education of their children .

- Thompson Crossing Elementary will be offering the following parent nights during the 2021-2022 school year. Family Back to School Open House, This event partners with our PTO. Breakfast and Books (March): This event promotes literacy and a love for reading in school and home as well as a "Kick off" for the Marion County Public Library's Summer Reading Program. Read Across America Week where we spend extended time reading throughout the school day with guest readers, reading in abnormal locations and whole school reading activities. We also hope to partner with the Children's Museum for family education nights.

- ILEARN results will be sent home with our families of students in grade 3 after each administration.
- Skyward Parent Portal - utilized by all parents, tracking their child's progress.
- Parent Meetings are set up throughout the year at both the parent and teacher request.
- IREAD results are sent home after administration. Conferences are held for any student who DNP.

## **Transition Plans**

Franklin Township Community School Corporation has a developmental Preschool Program. To help students transition from the preschool program located at Wanamaker Early Learning Center a conference is held at the child's kindergarten homeschool. Incoming kinders are also provided with information about what to expect in kindergarten and activities to help them prepare over the summer.

Our intermediate school will invite our 3rd grade students over to visit the intermediate school and experience their new schedule. Students break up into groups and a student mentor answers questions and helps the 3rd grade students feel comfortable and confident about their upcoming transition. We also provide our intermediate school with information about IEP, high ability, LEP, 504, etc so that schedules can be developed accordingly.

## **Opportunities for Teacher to be included in Decision-Making**

The TC Elementary teachers are active participants in the school wide planning process, Thompson Crossing Building level discussions, Student's Multi-Tiered Systems of Support and grade level meetings. Their input is so valuable in decision making at our school.

- Thompson Crossing Building Level Discussions- Once a month, 2 school representatives meet with the school administrator to bring concerns from other teachers to discuss. During this meeting there is discussion on instructional practices, school procedures, and contractual issues.
- Grade Level Meetings- grade level teams meet on a monthly basis in the school. During these meetings the teachers review data and practice and look at current plans, and curriculum maps to determine if there is a need for revision, supplemental materials, enrichment, or omission. The grade level provides feedback to the leadership team member so the administrator can support as needed.

- TC Instructional Leadership Team- The Title 1 administrator meets with grade level representatives to discuss curriculum and instructional practice trends across the building to further enhance practice and allow for vertical articulation.
- Staff Meetings- Monthly staff meetings are held for informational purposes and as well as a time for professional development. Certified and classified staff meet weekly for PLC/Professional development in addition to staff meetings.

## **Timely Additional Assistance**

Teachers and the Title 1 Administrator, as well as the Instructional Coach, use the Guided Reading Data, CFA Data, CFUS, report card data, ILEARN and any other relevant information to determine what type of interventions need to take place and if testing may need to occur. Teachers begin using tier 2 interventions in the classroom. If little or no progress occurs, then an additional tier 3 intervention is added. If there is still little to no progress, the Tier 2 TEAM determines if the student needs further testing to qualify for an IEP.

\*Tier 2 interventions occur for 30 min./ 5 times a week. This includes 95% instruction as well as support in other areas of reading (comprehension, fluency, etc). Tier 3 interventions are in place for those students who are 2 grade levels or below and need additional assistance. Tier 3 interventions utilizes the Orton Gillingham method of Reading instruction that focuses on Phonemic Awareness and Phonics as the base for reading instruction. We will also begin using the Guided Reading Rise Tier 3 intervention program this year for students who are below grade level in first-third grade. Tier 3 interventions occur 5 times a week as well.

- MTSS process- teachers collaborate on the academic and/or behavioral needs of students by analyzing benchmark assessments and pre and post tests in areas of concern. Teachers support each other with different ideas to support our students. If the grade level team has tried multiple tiers of support with little to no success, the teacher will submit the student's information to Tier 2 and/or 3 TEAM for review to determine if further testing is appropriate.
- The Tier 3 team is made up of the SLP, school psychologist, school counselor, special education teachers, ENL teacher, Title 1 Administrator, and principal. This team looks at student data that has been submitted by the classroom teacher after tier 2 and tier 3 interventions result in little to no progress.

## **Provisions for the Coordination of Technology Initiatives**

Franklin Township Community School Corporation submitted the required Online Technology Plan in full compliance with IC 20-20-13. The plan can be found in its entirety on the secure DOE online system. The document details our comprehensive plan for the coordination of technology initiatives. The coordination is best summarized in Sections II and VIII of the plan:

“Our technology integration specialists have been hard at work integrating in-house digital lesson plans that have been created by teams of teachers within the district. Our goal being to shift from physical textbooks and purchased digital content to teacher curated/created digital content.

We are in the middle of working on a three- year technology plan implementation with the focus of being BYOD at the secondary level with heavy district-owned technology in primary. We are intentionally focusing on ensuring training for teachers is delivered ahead of any device rollouts. Teachers this year received training on effective use of Google Classroom in elementary and Canvas in secondary.”

## **Cultural Competency**

In Franklin Township, we welcome diversity. We will incorporate culturally appropriate strategies for increasing educational opportunities and the educational performance of all.

All administrators have been trained in the identification of disproportionality with Dr. Renee Azize. In turn, the administrators have conducted professional development with their teachers and staff on culturally appropriate strategies for increasing educational opportunities and academic performance for represented groups.

## **Coordination and Integration of Federal, State, and Local Funds**

As a Title Schoolwide school, Thompson Crossing Elementary will use money from local, state and federal sources to educate all students. The district separates these monies for accounting purposes and they are not combined. However, monies are budgeted by our central office in a systematic way that allows us to better meet the needs of all students.

At Thompson Crossing Elementary, our funds (Title 1, Title II, and Title III) are coordinated to meet the Instructional needs of all students and the professional development needs of all staff.

## **Plan for Submission/Updating Schoolwide Plan**

The following is the model that is used yearly. This is the 2022-2023 calendar for SWP:

Date	Members	Purpose
September Beginning of the year	Leadership Team	Review Plan and Analyze 21-22 data. Discuss if any changes need to be made to original plan
September 30, 2022	Leadership Team	Review 1st 9 weeks data and report

End of 1st Quarter		to Grade Level Teams during PLC.
December 20, 2022 End of 1st semester	Leadership Team	Review 2nd 9 weeks data and and revise plan for 2nd semester Report to Grade Level Teams during PLC.
March 10, 2023 End of 3rd Quarter	Leadership Team	Review and Revise Plan based on data. Report to Grade Level teams during PLC
May 26, 2023 End of the year	Leadership Team	Review Data and Develop Plan for the following year.
September, 2023 Beginning of year	Leadership Team	Review Plan and Analyze 22-23 data. Discuss if any changes need to be made to original plan
December, 2023 End of 2nd Quarter	Leadership Team	Review and Revise Plan based on data. Report to Grade Level teams during PLC
March, 2024 End of 3rd Quarter	Leadership Team	Review and Revise Plan based on data. Report to Grade Level teams during PLC
May, 2024 End of the year	Leadership Team	Review Data and Develop Plan for the following year.

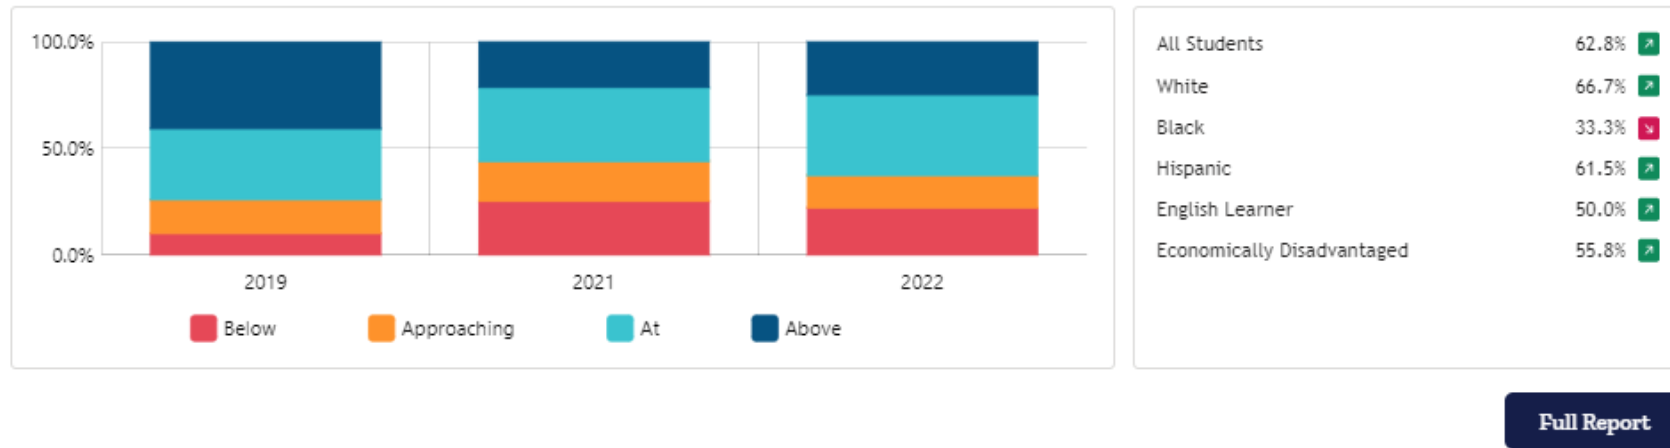

The Thompson Crossing Elementary School Improvement Plan team consists of a representative of every grade level as well as the Title 1 administrator, Special Education Teacher, ENL teacher, Counselor, and a Parent Representative. The team will meet quarterly to review data and revise plans as needed. Input from the entire staff is solicited mid year and during the development of the following year's plan. Staff also has the opportunity to provide input at grade level meetings, quarterly at our central office and on a monthly basis in their home school. During these meetings goals, strategies, and implementation are discussed.

# Historical Attendance Rates and State Assessment Data

## ILEARN Proficiency Math (i)

Current: 62.8% ↗ State: 39.4% ↗

Number of grades three through eight students who are proficient in both English / Language Arts and Math on the ILEARN assessment divided by the total number of students enrolled in the school who participated in the English / Language Arts and Math assessment.

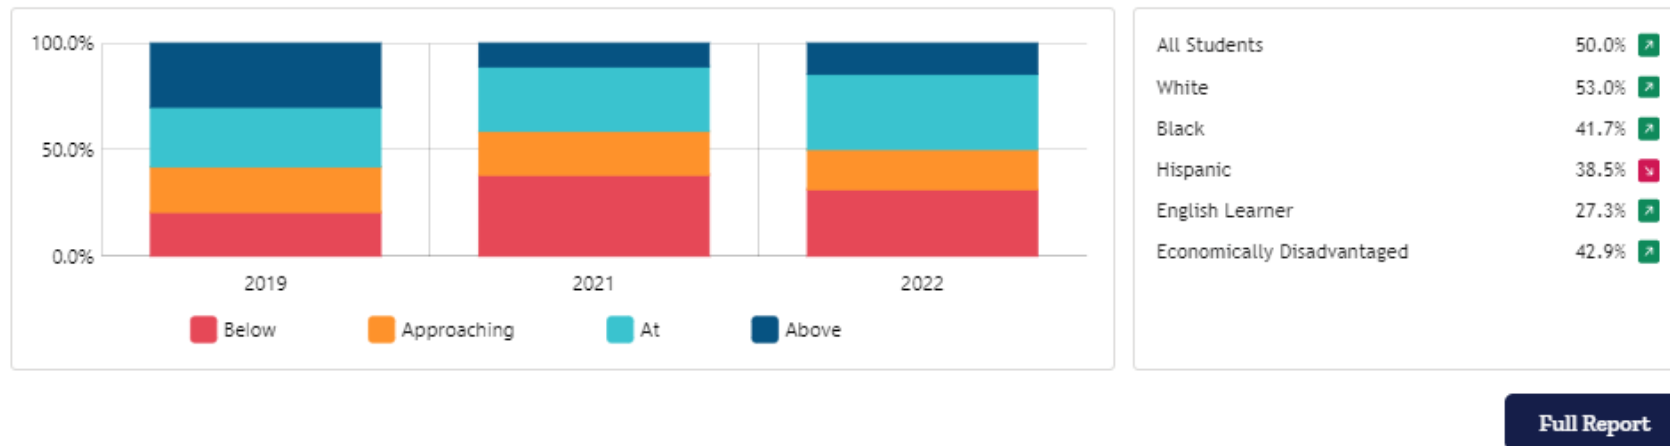

[Full Report](#)

## ILEARN Proficiency English / Language Arts (i)

Current: 50.0% ↗ State: 41.2% ↗

Number of grades three through eight students who are proficient in both English / Language Arts and Math on the ILEARN assessment divided by the total number of students enrolled in the school who participated in the English / Language Arts and Math assessment.

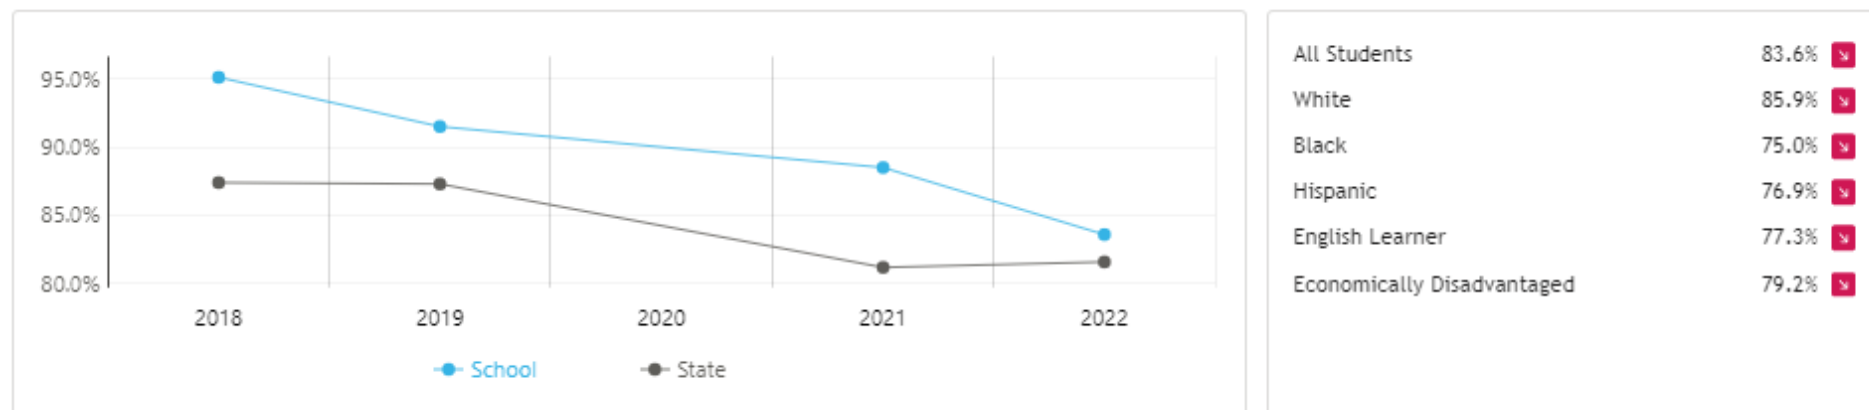

[Full Report](#)

### 3rd Grade Literacy (i)

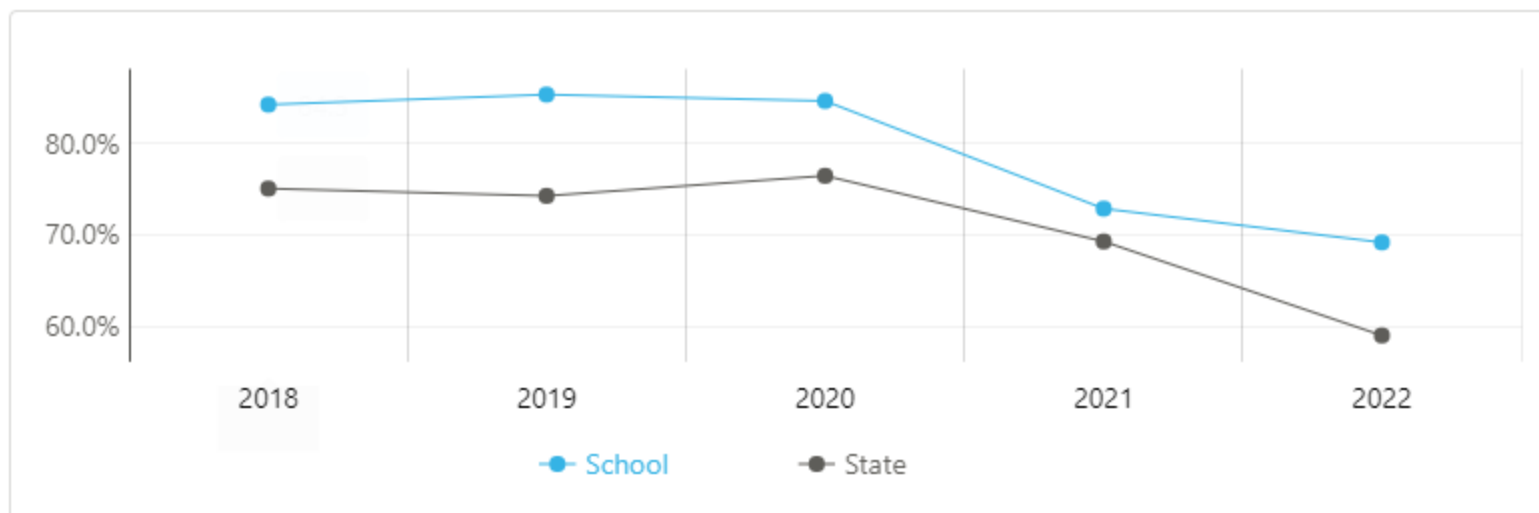

Current: 83.6% ▼

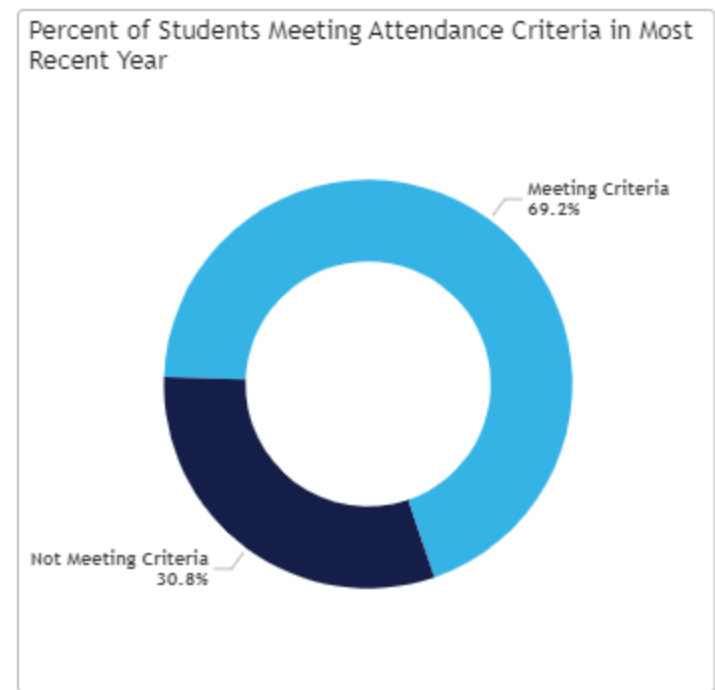

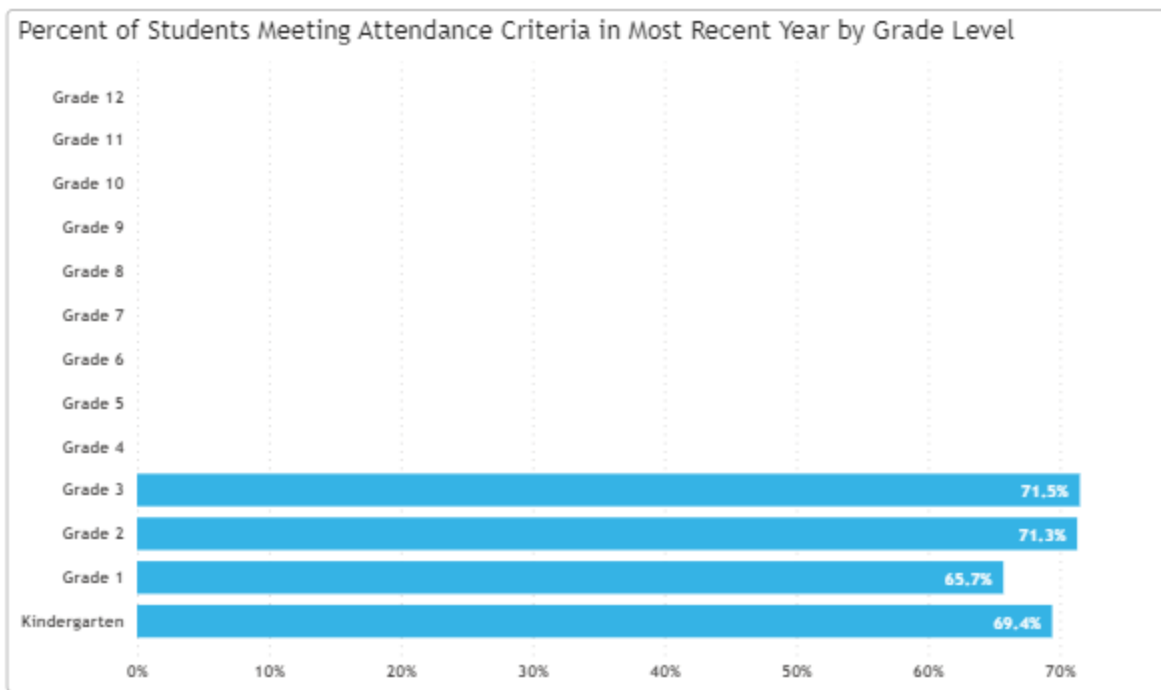

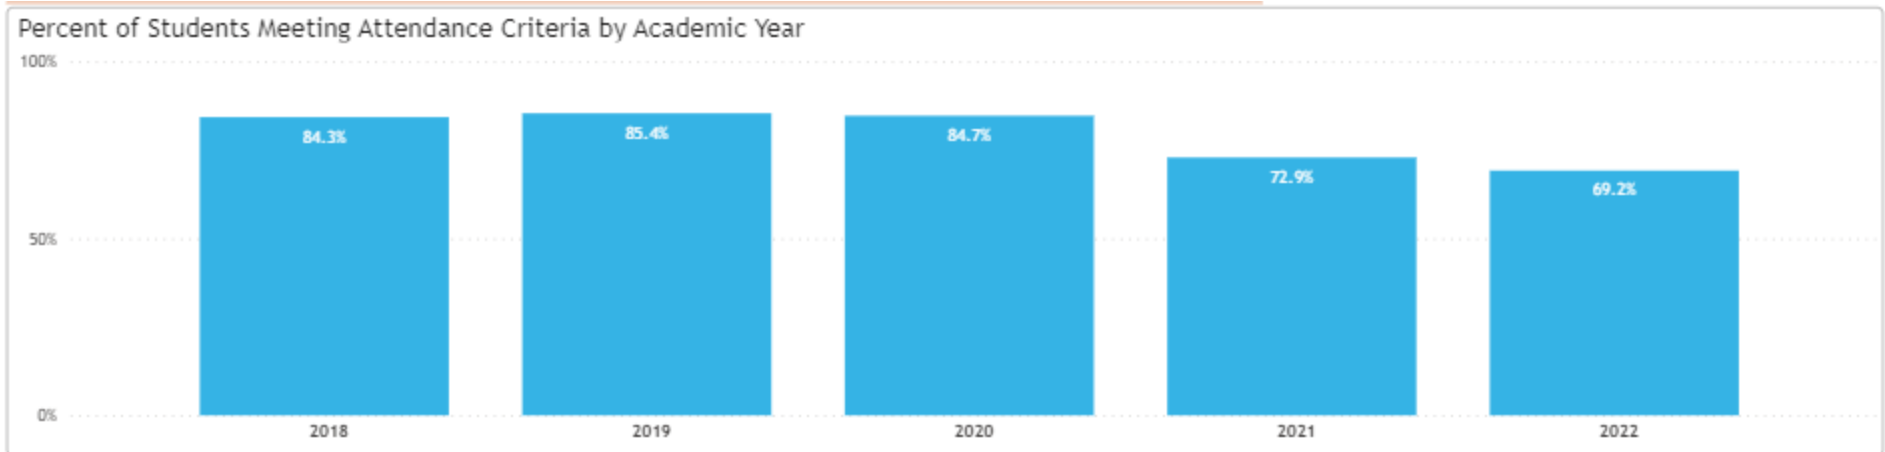

State: 81.6% ▲

Number of grade three students who demonstrate proficiency on either the spring or summer administration of IREAD-3 divided by the total number of grade three students.

### Attendance By Grade

Mrs. Rickil Jaynes is the Attendance Officer for Thompson Crossing Elementary. When students excessively arrive late or have more than 9 absences the parent is contacted via letter or phone call. We also contact parents when there are more than 10 unexcused absences.

Thompson Crossing Elementary has a yearly goal to maintain an attendance rate of 96% or greater.

## Thompson Crossing Elementary School Goals and Action Plan-ELA

<b>School: Thompson Crossing Elementary</b>							
<b>Goal : By spring of 2023, 55% of third grade students will have a proficient rating on the ILEARN assessment.</b>							
<b>Benchmark: 2021: 50% of third grade students were proficient on the ELA ILEARN assessment</b>							
<p><b>Year 1: During the 2021-2022 school year 50% of third grade students will receive a proficient rating on the ELA ILEARN assessment.</b></p> <p><b>Year 2: During the 2022-2023 school year, 55% of third grade students will receive a proficient rating on the ELA ILEARN assessment.</b></p> <p><b>Year 3: During the 2023-2024 school year, 60% of third grade students will receive a proficient rating on the ELA ILEARN assessment.</b></p>							
<p><b><u>Guided Reading Goals:</u></b></p> <p><b>In Kindergarten, 90% of students will be at C by the EOY.</b></p> <p><b>In First Grade, 85% of students will be at I by the EOY.</b></p> <p><b>In Second Grade, 83% of students will be at L by the EOY.</b></p> <p><b>In Third Grade, 80% of students will be at P by the EOY.</b></p>

## **Thompson Crossing Elementary School Compact**

**Thompson Crossing Elementary**

**Title I**

**Student-Parent-School Compact**

**2021-2022**

As part of the Title I School Program, we are asking that you and your child join us in signing a written agreement (or compact) that expresses support of your child's education and commits everyone involved in your child's education to helping him/her reach his/her potential as a learner. This compact forms a partnership, which will lead to a successful educational experience for your child.

### **Parents**

**It is the responsibility of the parent to:**

- actively communicate with school staff
- be aware of rules and regulations of school
- take an active role in the child's education by reinforcing, at home, the skills and knowledge the student has learned in school
- utilize opportunities for participation in school activities
- monitor attendance, homework completion, and television watching
- read with my child regularly

Parent Signature: \_\_\_\_\_ Date: \_\_\_\_\_

### **Staff**

**It is the responsibility of the staff to:**

- Provide high-quality curriculum and instruction in a supportive and effective learning environment that enables children served under Title I to meet the state's student academic achievement standards
- Promote and encourage parent involvement activities
- Effectively and actively communicate on an ongoing basis with all parents about skills the student is learning in school and suggestions for reinforcement
- Send information to parents of Title I children in a format and, to the extent practicable, in a language the parents can understand
- Hold parent-teacher conferences in elementary schools, at least annually, during which the compact will be discussed as it relates to the individual child's achievement
- Provide quarterly reports to parents on their child's progress
- Welcome opportunities for parents to volunteer, participate, and/or observe in Title One classroom activities

Teacher Signature: \_\_\_\_\_ Date: \_\_\_\_\_

**Student Responsibilities**

**It is the responsibility of the student to:**

- Always complete work and do my best
- Follow classroom and school rules
- Work cooperatively on a daily basis
- Read at home on a daily basis

Student Signature: \_\_\_\_\_ Date: \_\_\_\_\_

## **Thompson Crossing Elementary School Parent Involvement Policy**

**Title 1 Parent Involvement**  
**Thompson Crossing Elementary**  
**2021-2022**

- A. Thompson Crossing Elementary endorses the parent involvement goals of Title 1 and encourages the regular participation by parents of Title 1 eligible children in all aspects of the program. The education of children is viewed as a cooperative effort among the parents, school and community. In this policy, the word “parent” also includes guardians and other family members involved in supervising the child’s schooling.
- B. In accordance with *No Child Left Behind Act of 2001* law, the school will:
1. Develop jointly with, agree on, and distribute to parents of children participating in a Title 1 School Wide Program, a written parent involvement policy that describes how the school will carry out the parent involvement requirements in section 1118(c) – (f), including the development of a school-parent compact.
  2. Notify parents of its written parental involvement policy in an understandable and uniform format and, to the extent practicable, in a language the parents can understand.
    - a. Make its written parental involvement policy available to the local community
  3. Give each parent timely notice when their child has been assigned to, or has been taught for four or more consecutive weeks by a teacher who is not highly qualified.
- C. The Title 1 Instructional Coach will:
1. Provide Title 1 parents and staff information regarding the purpose of the Title 1 Parent Involvement Committee and the opportunity to be involved (i.e., phone, flyers, school newsletter).
  2. In meaningful consultation with parents and Title 1 staff, develop, evaluate and revise the District’s Title 1 Parent Involvement policy.
    - a. Parents will participate in the design, development, operation and evaluation of the program for the next school year.
    - b. Proposed activities shall be presented to fulfill the requirements necessary to address the requirements of parental involvement.

- D. All Title 1 parents will be encouraged to attend the Title 1 Parent Involvement meetings.
1. Special needs of parents for translators and childcare will be accommodated.
  2. Parents will be informed about Title 1 meetings in a timely manner.
  3. An annual meeting will be held during the first month of school to provide information to Title 1 parents about the goals, policies and benefits of the Title 1 program for their child. This meeting will provide:
    - a. Assistance in understanding State content standards, academic achievement standards, and how parents and teachers work together to help monitor and improve the achievement of their children.
    - b. A description and explanation of the curriculum, the forms of academic assessment such as ILEARN, ClearSight, weekly Common Formative Assessment and Guided Reading Assessments are used to measure student progress, and the expected levels of student proficiency.
      - i. Measuring Student Progress
        1. Parents are given updates explaining different assessments that were given and explanation of how to read their child's results on assessments such as ILEARN, ClearSight, weekly Common Formative Assessments and Guided Reading Assessments. In addition, parents are given a Pearson Perspective flier that directs the parents to a website that provides them with academic support in the home, based on their child's ILEARN results.
    - c. Information about programs that are provided under Title 1.
      - i. A Title 1 Parent Resource Library that includes materials for K – 3<sup>rd</sup> grade.
      - ii. For Kindergarten registration, FTCSC preschool is given times and dates for kindergarten registration, by providing flyers and encouraging staff and parents to contact FTCSC preschool with any questions they may have. FTCSC preschool will also provide parents a packet with activities to complete at home to help their incoming kindergarten student to be successful.
      - iii. Guidance for parents to assist in the education of their children at home
      - iv. Information on procedures to follow, at the district level, if the parent has questions or concerns about the school's Title 1 program
      - v. An exit slip is offered to the parents, at the end of the meeting, to give parents an opportunity to make suggestions and evaluate how the delivery of the information at the meeting met their needs
      - vi. Other reasonable support for parental involvement activities as parents may request.
- E. In addition to the annual meeting described above, the Title 1 school will provide at least one opportunity per semester for parents and educators to come together to learn how to help their child improve their reading and/or math skills. The (morning or evening) timing of these meetings should be flexible to allow for the greatest parent participation possible.
1. Providing 2 parent academic support events such as:
    - a. Monster Math Night: Teachers help parents learn more about the Math Curriculum through games and strategies to assist parents with knowledge and mastery of their child's math standards
    - b. One School-One Book: With the assistance of the child's teacher, parents will assist their child with skills needed to be successful in, phonics, fluency, accuracy, and comprehension.
    - c. Breakfast with Books: The Instructional Coach provides helpful strategies in reading books with their child.
- F. Title 2 staff will also provide assistance to parents and students by providing:
1. A weekly classroom newsletter
  2. Optional reading materials for at-home reading
  3. Ideas for activities to reinforce children's learning for the summer
  4. A literacy resource table during conferences with suggested ways to help students learn at home
  5. A Parent Resource Library at each Title 1 school will be provided with books, games and activities K – 3<sup>rd</sup> grade to be checked out by parents of Title 1 students to support instruction at home.

- G. The Title 1 instructional coach, staff and parents of children in the program will develop a “School-Parent-Student Compact” outlining the manner in which the school staff, parents, and students to share the responsibility for improved student academic achievement in meeting state standards.
- H. The school administrator will work with the teachers to help them understand the importance of parents as equal partners by encouraging attendance to Parental Involvement functions as well as asking for suggestions and feedback for future functions.
- I. There are many ways in which parents can become involved with their children’s education. Franklin Township Community School Corporation values both the at-home contributions and those which take place at school and in the community. Reading to the children at home and talking with them at a family meal are as important as volunteering at school and serving an advisory committee. Many types of parental involvement are needed in a school-home-community partnership that will help all our children succeed. Opportunities for parental involvement will include:
  - 1. Volunteering in their child’s school
  - 2. Attending parent-teacher conferences
  - 3. Working on various school committees to participate in school decision-making
  - 4. Attending Title 1 parent meetings
  - 5. Signing and fulfilling the School-Parent Compact
  - 6. Maintaining good communication between home and school
  - 7. Bringing constructive comments concerning the Title 1 program to the teacher, school administrator or district administrators, and to receive a response to the comments as soon as practicably possible
  - 8. Offering other reasonable support for parental involvement activities as parents may request
- J. The district of school will coordinate and integrate, as appropriate, parent involvement with Head Start, Even Start, Parents as Teachers Program and public preschool programs.

## **Comprehensive Needs Based Assessment**

## Comprehensive Needs Assessment Summary and Goals

### **Vision Statement**

The vision of Thompson Crossing Elementary School is to provide a safe learning environment where all students excel and collaborative relationships are built.

<p>DATA ANALYSIS CHART</p>
<p>DIRECTIONS: Use this chart to summarize data statements (from Data Guides) then identify strengths and weaknesses for each focus area.</p>
<p><b>Curriculum &amp; Instruction</b></p>

<p><b>Strengths</b>  School Grade A- Growth Intervention Process.  Providing Intervention to students targeting lowest deficit skill  Professional Development for Teacher Table (small group instruction)  ENL ILEARN and WIDA achievements  Teachers ability to provide differentiated instruction due to additional manpower (title instructional assistants)</p>	<p><b>Challenges</b>  Assessing the retaught skills after failing summative assessments  Resources to provide PD to Instructional Assistants and new teachers.  Staffs begin to understand blended classroom practices but still needs PD. The manpower to provide Intervention limits the number of students we can reach even though the student's data shows they need intervention.  Tier 3 Behaviors</p>
<p><b>Professional Development</b></p>	
<p><b>Strengths</b>  Instructional Coach providing Professional Development for our Instructional Assistants every week  PLC  Wealth of staff knowledge that could be shared</p>	<p><b>Challenges</b>  Coach providing professional development to teachers due to other responsibilities.  Subs for PD opportunities (Timeout)</p>
<p><b>Family Involvement</b></p>	
<p><b>Strengths</b>  Communication through newsletter and Infinite Campus  Parent surveys  BTS night  Ice Cream Social  Kindergarten Orientation  Parent Teacher Conferences  PTO events</p>	<p><b>Challenges</b>  Website and Facebook  Lack of parent access to the internet  Child care issues  Lack of participation  Parents don't have resources to support child at home.  One sided delivery of information.  Lack of PTO enrollment  Background check cost</p>
<p><b>School Context &amp; Organization</b></p>	
<p><b>Strengths</b>  PBIS  Procedures within the building- the cafeteria, hallway, fire, inclement weather, and lockdown procedures  Bully Awareness and Intervention</p>	<p><b>Challenges</b>  parent compliance  Attendance  Teacher's procedures for discipline in the office  Resources for Tier 3 Behaviors</p>
<p style="text-align: center;"><b>COMPREHENSIVE NEEDS SUMMARY</b></p>	
<p>How was the Needs Assessment Conducted?</p>	
<p>Our SWP Committee looked at data from the five focus areas. Our methods of collecting data include Parent Surveys, Teacher input, classroom and hallway observations as well as analyzing data from multiple sources:</p>	

ILEARN  
IREAD  
Guided Reading Benchmarks  
Title Cohort data  
CNA data

This information was discussed by the committee allowing us to determine Thompson Crossing's strengths and weaknesses.

What are the results of the Data collection?

Our team identified the following strengths and weaknesses: TBD during the school year

**Curriculum and Instruction:**

Current Intervention Model meets the academic needs of students. Tier 3 behaviors and lack of resources has been an obstacle.

**Professional Development:**

Our Instructional Coach trains all Instructional Assistants how to use intervention tools during intervention time and to create an additional teacher table as well as other PD every Wednesday. However, due to other responsibilities, she is unable to provide classroom lessons on regular basis due to time constraints.

**Family Involvement:**

While we do provide opportunities for our families to come to our school and learn methods to support their child at home, the information seems very one-sided and driven by the school. Attendance is poor to these events. Child care is an issue and often they do not leave with resources.

**School Context and Organization:**

Thompson Crossing's students, staff, and families have taken ownership of our PBIS. Students are feeling successful through our celebration of star tickets and accountable through our school-wide adoption of our behavior management system.

What conclusions were made?

Our CNA supports the following goals:

Goal 1:  
Increase ILEARN results by 5% through increasing the number of differentiated small groups for all students. Also to obtain 90% of students at Recommended Guided Reading Levels.

Goal 2:  
Provide 8 Professional Developments that are researched based and data driven to increase academic success by 5% . Provide Intentional, focused instruction that is researched based.

Goal 3:  
Increase Family Involvement by continuing to have 2 family night events in the 2022-2023 School Year. These events will provide child care and directly reflect the needs of our families based on our parent survey data.
